and

Holyday Studios and its affiliates and subsidiaries.

---

### **\*IMPORTANT NOTE\***

Holyday Studios **does not** collect personal data from the User and limits the data it collects to the User's username, player ID, city and save file.

Holyday Studios is committed, according to the law on the protection of personal data under the laws of the Republic of Cyprus and the European Union (“**Cyprus**” and “**EU**” respectively”), the international treaties and agreements signed by Cyprus, to take all necessary measures for the protection of the subscribers' personal data and the respect of their private life. This document aims to inform the User about their rights and about the data protection policy of Holyday Studios in connection with the Game as specified below.

Please note that the scope of this Privacy Policy is limited only to information collected by the Holyday Studios through the User's use of the Game Firestone Idle RPG. By using the Game, the User agrees and gives their consent to the collection and of their personal information as outlined in this Privacy Policy.

Holyday Studios is dedicated to protecting the privacy rights of its users. This Privacy Policy describes how Holyday Studios collects, protects, uses and discloses information and other data that Holyday Studios will collect from the User through the User's use of the Game.

---

For the purposes of this Privacy Policy:

“**Non-Personal Data**” which is information that does not identify the User and cannot be used to contact the User personally, including User's username, player ID, city and save file;

“**Game**” refers to the game Firestone Idle RPG; and

“**Site**” refers to the site <http://holydaygames.com/>.

## **ACCEPTANCE OF TERMS AND REVISIONS**

By accessing, using or installing any of the Services and/or submitting information to Holyday Studios the User agrees to accept this Privacy Policy. If the User does not accept this Privacy Policy the User must not access or use the Game.

Holyday Studios may, at any time, revise this Privacy Policy. Holyday undertakes to take reasonable steps to inform the User of such changes.

The User should periodically revisit this posting to review any revisions to this Privacy Policy. If the User continues to access the Game after any revisions to this Privacy Policy are posted, the User will be deemed to have accepted those revisions.

## **INFORMATION COLLECTED AND APPLICATION**

Through the User's use of the Game, Holyday Studios may collect Non-Personal Data.

## **COLLECTION OF INFORMATION**

Holyday Studios only collects the following Non-Personal Data as permitted by law and as follows:

1. Holyday Studios may collect information such as the User's username, player ID and city.
2. Holyday Studios also collects Non-Personal Data such as device IDs and usage data (such as save files) whenever the User uses the Game.

Holyday Studios does not collect Personal Data from the User through the use of the Game.

## **USE OF INFORMATION**

Holyday Studios may use the User's information for administrative, analytical, research, optimisation, security and other purposes, including, without limitation, for the following purposes and where applicable:

1. to improve our Services, and any future Services Holyday Studios may produce;
2. to respond to customer service inquiries;
3. to troubleshoot problems with the Services and to improve Services;
4. to enforce our Terms of Use;
5. to protect against cheating, crime or fraud, or for other security reasons;
6. to compile statistics;

7. to take any other action permitted by law.

## **DISCLOSURE OF INFORMATION**

Holyday Studios will not transfer the User's data to third parties, except for our business partners who have agreed to comply with legally required privacy standards and who will use the information only for the purposes disclosed at the time of collection or for a use consistent with that purpose.

Notwithstanding the foregoing, Holyday Studios reserves the right to disclose information, , if Holyday Studios reasonably believes that Holyday Studios are required to do so by law or legal process or if Holyday Studios are otherwise requested by any law enforcement officer or agency acting in such a capacity as to allow the disclosure of such information by law.

In addition, Holyday Studios reserve the right to disclose Non-Personal Data in order to:

1. enforce the Terms of Use;
2. investigate and/or take action against illegal activity, suspected abuse or unauthorised use of the Services;
3. protect and defend the rights or property of Holyday Studios; and
4. act in urgent circumstances to protect the safety or security of the public or users of the Game.

## **PROTECTION OF INFORMATION**

Holyday Studios has implemented reasonable physical and technical measures to protect the information Holyday Studios collect or are provided with from unauthorized access or against loss, misuse or alteration by third parties.

Further, while Holyday Studios attempt to ensure the integrity and security of our network and systems, Holyday Studios cannot guarantee that our security measures will prevent third-parties from illegally obtaining access to this information.

Holyday Studios do not warrant or represent that the User's information will be protected against, loss, misuse, or alteration by third parties. No method of transmission over the Internet, or method of electronic storage, is 100% secure. Therefore, Holyday Studios cannot guarantee its absolute security. For further information on how Holyday Studios protects information Holyday Studios collect or are provided with, contact us using the information listed below.

## **RETENTION OF INFORMATION**

The data and information that Holyday Studios collect will be stored and maintained by Holyday Studios or our third party service providers until the User instruct us otherwise, or, in our sole discretion, for the longer of (i) the amount of time necessary or appropriate to carry out the purpose(s) for which such information was collected and (ii) for so long as Holyday Studios are required to maintain such information by law or other applicable rules or regulations and the User's consent to such purposes remains valid after termination of our relationship with the User.

Currently, Holyday Studios or our third party service providers retain and store information collected by, or provided to, us on secure servers in Amazon Web Services Datacenters (Oregon and Ireland). As Holyday Studios and some of our third party service providers may store information received from users outside of these locations, and under the laws of those other jurisdictions, in certain circumstances courts, law enforcement agencies, regulatory agencies or security authorities in those other provinces or foreign jurisdictions may be entitled to access information.

The User is responsible for maintaining the confidentiality of the User's account and/or passwords as these may be applicable or required to access the Services and for restricting access to the User's computer, device or game system platform, and the User agrees to accept responsibility for all activities that occur under the User's account.

## **OUR POLICY REGARDING CHILDREN**

Holyday Studios recognizes the privacy interest of children and Holyday Studios encourage parents and guardians to take an active role in their children's use of our Services. Our Services are not intended for children under the age of 13 ("**Minors**") and Holyday Studios do not target our Game to Minors. Holyday Studios does not knowingly collect or use any Personal Data from Minors. If a parent or guardian becomes aware that his or her child has provided us with information without their consent, he or she should contact us at the email address below. Holyday Studios will delete such information from our files within a reasonable time.

## **GOVERNING LAW**

This Privacy Policy is governed and interpreted pursuant to the laws of the Republic of Cyprus ( "**Cyprus**" ) and the European Union, without regard to principles of conflicts of law that would impose the law of another jurisdiction, and the User agrees to submit to the exclusive jurisdiction of the courts of Cyprus.

Those who choose to use or access any of the Services from outside the Cyprus do so on their own initiative and are responsible for compliance with local laws, if and to the extent local laws are applicable. Notwithstanding the foregoing, and recognizing the global nature of the Internet, each viewer and user shall comply with all local rules regarding online conduct and submission of acceptable materials.
